| | | | | | Special Topics these could fall under various | | | | |
|---|-------------------------------------|------------------|------------|---|---|--|--|--|--|
| Hand-On | Technology | Theory/ Research | Curriculum | Panel/ Roundtable | workhop types or just be a handout??? | | | | |
| I made an attempt to place workshop topics under the Session Type that seemed most appropriate. Some topics may fall under different Session Types depending on | | | | | | | | | |
| the presenter's approach. | | | | | | | | | |
| There was a high demand for studio based Elementary Workshops! | | | | | | | | | |
| Art Journals/ Sketchbooks | MORE digital arts FOR SURE. I think | | | 1 -1 4b:- - - - - - - - - - - - - - - - - - - | | | | | |

| Art Journals/ Sketchbooks (sketchbook ideas and successful use of sketchbooks) | MORE digital arts FOR SURE. I think the only one offered was Procreate, which was amazing. I would love to take another workshop on that or other digital programs that are free. | behavior management, | Cultural appreciation vs appropriation | I also think I lack in utilizing the IN VA standards fully in my curriculum. I would love to see how other teachers fit them all in. | materials storage/maintenance |
|---|---|-----------------------------------|--|---|--|
| Mixed Media | | how to get students to make stuff | I also think I lack in utilizing the IN VA standards fully in my curriculum. I would love to see how other teachers fit them all in. | how to get students to make stuff | Community involvement/engagement |
| Photography | someone well versed in AI technology? Lesson sharing given a topic? | beginning teacher workshops | revamping old lessons | not only discussing TAB as a framework, but having a TAB teacher actually talk through how they manage their classrooms, what their projects look like, what problems they run into, how they solve them, etc | writing grants and securing funding/ sustainable resources would be helpful. |
| Printmaking (intaglio and more complex block printing concepts) | Digital art/beginner digital work aimed at elementary | | how to get students to make stuff | beginning teacher workshops | STEM > STEAM |
| Ceramics | best websites or youtube channels, | | student portfolios | student portfolios | |
| Glass | student portfolios | | beginning teacher workshops | diversity training with time for discussion | |
| Fiber Arts (felting, batik, weaving, textiles) | | | cross-curricular connections | AP college board to present and allow for a q&a about APAD | |
| Painting (guache, above the basic level including mediums and techniques) | | | | | |
| Collage | | | | | |
| Photography | | | | | |
| Digital Art | | | | | |
